Día de los Niños, Día de los Libros is El Paso's annual celebration of children, literacy, and family engagement. Now marking its 30th anniversary in 2026, this beloved community event brings families together for a day of stories, cultural activities, and hands-on learning experiences. The program highlights the joy of reading while connecting children to educational resources and community partners. Every child in attendance receives a free book, helping inspire lifelong readers and reinforce the importance of access to books for all.
