

EL PASO'S DÍA DE LOS MUERTOS FESTIVAL!

Saturday, November 2nd, 2024

11 AM to 9 PM

BROUGHT TO YOU BY THE CITY OF EL PASO MUSEUMS AND CULTURAL AFFAIRS DEPARTMENT

Día de los Muertos is a day of remembrance that is observed throughout México. Overarching ritual practices trace back to the various indigenous cultures of México where these traditions varied but were and continue to be firmly associated with death and rooted in strong beliefs about the afterlife.

Contemporary celebrations reflect a merging of Pre-Columbian, Spanish and African cultural, beliefs, and practices. Common elements of this celebration include ofrendas or altars that are decorated with cempasúchil, papel picado, sugar skulls, pan de muerto, and embellished with favorite gustos (tastes and treats) of the dead.

Enjoy family-oriented art activities, food, live music, and more!

El Paso Transportation Authority offers free rides during voting season

Take a ride on any ETA Transit fixed route or ETA Access paratransit service for free during voting season from October 21-Nov. 5

El Paso, TX — The El Paso Transportation Authority (ETA) is proud to announce its initiative to support civic engagement by offering free transportation during the 2024 voting season. ETA will provide free-of-cost rides on any ETA Transit fixed route or ETA Access paratransit service ride from October 21 to November 5.

This initiative is designed to ensure that all eligible voters have convenient access to polling places throughout El Paso, eliminating transportation barriers and encouraging community participation in the electoral process. By offering these free rides, ETA aims to inspire civic participation and ensure that all community members can exercise their right to vote.

WHAT: Free rides available on all ETA Transit fixed route and ETA Access paratransit services

WHEN: *October 21-November 5, 2024*

YOU WERE BORN IN THE TUCKED POSITION.

450SS

\$5499

**Plus freight and setup.*

Those wings create 1.6 times more downforce. You'll need them to keep you grounded when you find the limits of this all-new engine. The 450cc parallel twin features a 270° crankshaft angle. So there's less engine vibration, more torque, and more rear wheel traction under acceleration. Just wait until you hear about the suspension, brakes, and reverse shifter option. Who is this bike made for? Anyone and everyone born in the tucked position. Check it out at our dealership today.
