Continued from page 10. Join us for five days of pastel fun as we learn about a new medium and explore art history by studying different artists and their work. Each day we will crate one large drawing in pastel chalk. We will create wonderful artwork while being inspired by Edvard Munch's The Scream, Pablo Picasso's Woman in Hat, Vincent Van Gogh's Chair, Wassily Kandinsky's Bavarian Market Square and Claude Monet's Regatta at Argenteuil. The daily results will be truly frame-able! No experience necessary. Please wear an old shirt or smock to class each day.

Pastels with the Masters

(Entering Grades 1-2)

Dates: July 6-10, 2026

Meets: M, Tu, W, Th and F from 1:00 PM to 4:00 PM

Location: Education Bldg, Room 309

This Young Rembrandts' Pastel Art workshop will focus on five different artists. Each day, we will create a large, original pastel drawing replicating a famous artist's masterpiece. We will draw a colorful goldfish bowl as Henri Matisse did in his Goldfish painting. On day two, we will recreate Vincent Van Gogh's famous Starry Night complete with swirls throughout the sky. On day three, we will create powerful still life full of robust color as Paul Cezanne did often in his paintings. Day four will find us drawing Van Gogh's Harvest at Le Crau. On the final day, we will draw as Thiebald did for his Cake Paintings. Each day will challenge us with the pastel media. But in the end we will be Masters ourselves. You will want the drawings framed! No experience necessary. *Continues on page 15*
