(Entering Grades 1-2)

Dates: June 1-5, 2026

Meets: M, Tu, W, Th and F from 9:00 AM to 12 N

Location: Education Bldg, Room 309
Get ready for a colorful explosion of creativity! In this fun-filled arts and crafts camp, our little artists will explore exciting techniques like bubble painting, create unique hand portraits, discover the magic of leaf rubbing, and make amazing water-color resist art. We'll even bring stories to life with our own paper bag puppets! Join us for a week of messy fun and imaginative creations!

Claymazing Creations: Squish, Shape, and Sculpt

(Entering Grades 3-5)

Dates: June 8-12, 2026

Meets: M, Tu, W, Th and F from 9:00 AM to 12 N

Location: Education Bldg, Room 308
In this hands-on art adventure, kids will roll up their sleeves and uncover the wonderful world of clay. They will pinch, coil, and shape their way into creating playful sculptures and useful mini masterpieces like animals, bowls, or silly faces. Along the way, participants will explore texture, form, and imagination while strengthening fine motor skills. The soft material encourages kids to explore, adjust, and transform their ideas as they sculpt.

Intro to Sculpture (Entering Grades 6-8)

Dates: June 8-12, 2026

Meets: M, Tu, W, Th and F from 1:00 PM to 4:00 PM

Location: Education Bldg, Room 308

In this camp, students will explore the various materials and techniques used to

create sculptures; materials include wood, clay, plastic, cardboard, paper and other found objects. Campers will learn how to manipulate these materials to create 2- and 3-dimensional sculptures.

animals and things we see at the zoo! Llamas, lions, monkeys and more will fill our drawings. We will complete our last day with one large scene including all the animals we drew that week in a clever and cute imaginary zoo. Enroll today to get your spot!

Color Lab: Blend, Mix, and Discover (Entering Grades 3-5)

Dates: June 15-18, 2026 Meets: M, Tu, W and Th from 9:00 AM to 12 N

Location: Education Bldg, Room 308
In this vibrant art class, kids become color explorers as they journey into the exciting world of color theory. Participants will experiment with primary, secondary, and complementary colors while mixing paint to create bold new shades. Through hands-on projects and creative challenges, artists will learn how colors work together, set moods, and make artwork pop. By the end of the class, students will see color not just as paint, but as a powerful tool for expression.
