450CL-C
\$5,799*
MSRP

*Plus freight and setup.

The 450CL-C is built around a 449cc parallel twin with a 270° crank that sounds and feels like a V-twin thanks to modern counterbalancing. It makes 40 horsepower and 30 lb-ft of torque, served right in the sweet spot. Paired with a low seat, upright bars, and relaxed geometry, it encourages long, unhurried rides and quiet confidence in the curves. The Gates belt drive keeps the vibes mellow and the routine maintenance light. Come on in and see why it's as easy to own as it is to ride.
