Gifts That Light the Way...

Continued from page 9

The machines work like vending machines, but instead of snacks, passersby can purchase gifts that help children around the world, such as 100 doses of polio vaccine, 125 packets of ready-to-use therapeutic food or a school commuter bike.

You can also support quality education in Malawi through The K.I.N.D. (Kids in Need of Desks) Fund. Now in its 16th year, the fund has raised more than $55 million to remove financial barriers to education and provided more than 420,000 classroom desks and 52,000 scholarships that help girls stay in school beyond the primary level.

Whether through Inspired Gifts, a Giving Machine, a classroom desk in Malawi or a gift from a UNICEF partner, every contribution offers a meaningful way to make a difference and help build a brighter future for children around the world.

Your Marriott Bonvoy points can protect and care for children worldwide. From Dec. 1-8, the travel company will match five points for every point members donate to philanthropic partners, up to 25 million total points. Additionally, members who earn 50 or 75 qualifying nights in a calendar year are eligible to select UNICEF to benefit from their Annual Choice Benefit with a $100 donation. Learn more at giving.marriott.com.

If you're interested in making a personal donation and your employer has a workplace giving platform, you can increase the impact of your donation by searching for your employer on the matching gifts page to see if they have a matching gift program that could double, or even triple, what your donation can do for children.

Visit unicefusa.org/giving2026 to learn more and deliver at the speed of need to children this holiday season.
