Jewelry Gifts for the Holidays...

Continued from page 7

Featuring a continuous line of 3 carats of diamonds in bright 18-karat yellow gold over sterling silver settings and a push-button clasp, this is the bracelet that makes all the others in a stack look better. If you prefer a natural stone, Ross-Simons carries those, too.

The Pearl Necklace

Made to be borrowed now and inherited later, nearly every family has a version of the Akoya Pearl Necklace. A luminous strand of 5-5 1/2-millimeter cultured pearls finished in 18-karat yellow gold and secured with a fishhook clasp can find a home in any collection, whether just starting out or well-established with other heirloom pieces.

"The most meaningful gifts become part of someone's life," said Katie Warner Johnson, chief marketing officer for Ross-Simons. "A beautiful piece of jewelry can be given once, worn for years and eventually passed down to someone you love. It's a memory that lasts."
