ROCKY MOUNTAIN MORTGAGE COMPANY

ABOUT US

Rocky Mountain Mortgage Company is a locally-owned and operated, full-service homes mortgage company. We've been providing home loans to first-time buyers, growing families, newcomers, and business owners for over 30 years. We proudly offer mortgages to new and used homes. Throughout the last 30 years, we have been able to help more than 20,000 El Paso families reach their dream of homeownership by providing them with low rates and loans that work in their favor.

Our company is known for our integrity. We always make the time to connect with our clients. A majority of mortgage companies sell their loans through a secondary market, but we make the process much easier by providing in-house underwriting. Our services are much more accessible and efficient for those who are eager to begin life in a new home.

Contact us today to learn more about how our team of professionals can help you buy the home of your dreams!

LENDING TO GENERATIONS OF EL PASOANS

Our experience in the El Paso real estate market can work to your advantage whether you're a first-time home buyer, building your dream home, or relocating to El Paso. Our unique online prequalification program can speed up your home shopping process by giving you a negotiating advantage when dealing with home sellers and working with realtors.

At Rocky Mountain Mortgage Company, we also service most of the mortgage loans we originate. Our servicing staff has extensive experience in handling your loan for your benefit. This can be valuable to you when the time comes to make your monthly payment or property taxes and when making insurance premium payments.
