

Math Fun for Everyone (Entering Grades 3-5) Dates: June 24-28, 2024
Meets: M, Tu, W, Th and F from 9:00 AM to 12 N
Location: Liberal Arts Bldg, Room 202
Cost: \$112.50 (valid through May 31)
In this math booster course, your child will review the most important math concepts for grades 3-5. This course is designed to review and reinforce the most important concepts to give your child educational support as they move forward in school. This course will cover multiple math concepts, including but not limited to: multiplication & division, arrays & area models, geometric shapes, basic fractions & decimals, and measurements. Help your child stay on track with this math booster course!
Notes: Student must bring their own snacks and beverages.

Reading and Writing FUN-damentals (Entering Grades 1-2)
Dates: July 1-5, 2024
Meets: M, Tu, W and F from 9:00 AM to 12 N
Location: Miners Hall, Room 308
Cost: \$90.00 (valid through May 31)
Campers will work on their independent reading skills by understanding the use of phonics and word-attacking techniques. This camp emphasizes effective literacy that engages, motivates and helps campers succeed in reading and grammar.
Notes: Student must bring their own snacks and beverages. No Session on July 4th

Story Crafters: The Power of Reading and Writing (Entering Grades 6-8)
Dates: July 1-5, 2024
Meets: M, Tu, W and F from 9:00 AM to 12 N
Location: Miners Hall, Room 200
Cost: \$90.00 (valid through May 31)
Is your child brimming with imagination? Encourage their creative spirit with this writer's workshop for kids! Campers will explore a variety of genres and topics throughout the week using a variety of writing exercises and creative games. This camp will help young writers explore their own ideas through writing. Campers will leave each workshop with confidence in their voice, and excitement about the stories they have yet to write. During this lively week of camp, students will fill personal journals with their story crafts!
Notes: Student must bring their own snacks and beverages No Session on July 4th

Learning ABCs & 123s
(Entering Kindergarten) Dates: July 8-12, 2024
Meets: M, Tu, W, Th and F from 1:00 PM to 4:00 PM
Location: Miners Hall, Room 308
Cost: \$117.00 (valid through May 31)
This camp is a great way to introduce little ones to the schooling environment. Campers will use a variety of games, music and activities to

learn basic pre-math and literacy skills. They will also build vital social and communication skills as they engage with their peers in classroom exercises.
Notes: Student must bring their own snacks and beverages

Junior Bookworms
(Entering Grades 1-2) Dates: July 22-26, 2024
Meets: M, Tu, W, Th and F from 9:00 AM to 12 N
Location: Miners Hall, Room 207
Cost: \$112.50 (valid through May 31)
The primary focus of this camp is to improve campers' reading and comprehension skills. In order to achieve this goal, campers will be given reading material and guided to identify the main ideas and supporting details present in the text. Additionally, they will be asked comprehension questions and participate in discussions to further develop their understanding of the material while focusing on vocabulary development.
Notes: Student must bring their own snacks and beverages.
